Reminder: Only records in the current tab will be processed.

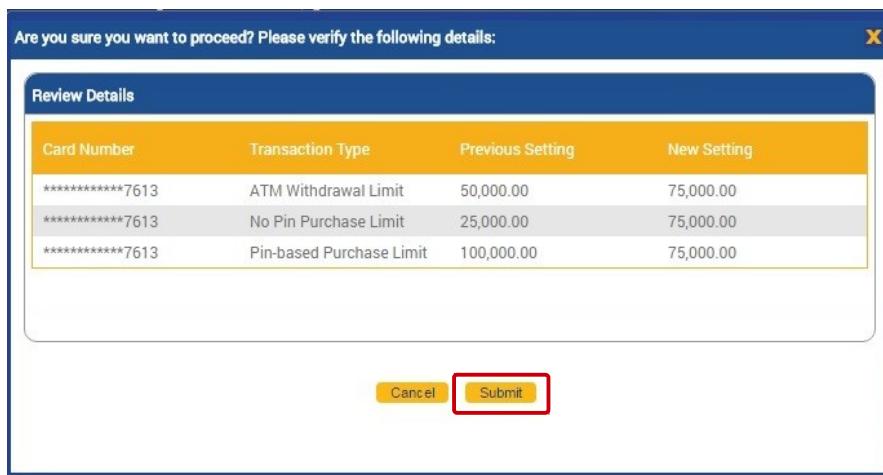

A locked card can not be used for ATM withdrawals and transactions, purchases using POS terminals, and online payments and purchases. You may unlock your card anytime to make it active again. Account itself will remain active so you can continue to transact within BDO Online and Mobile Banking.

Back Submit

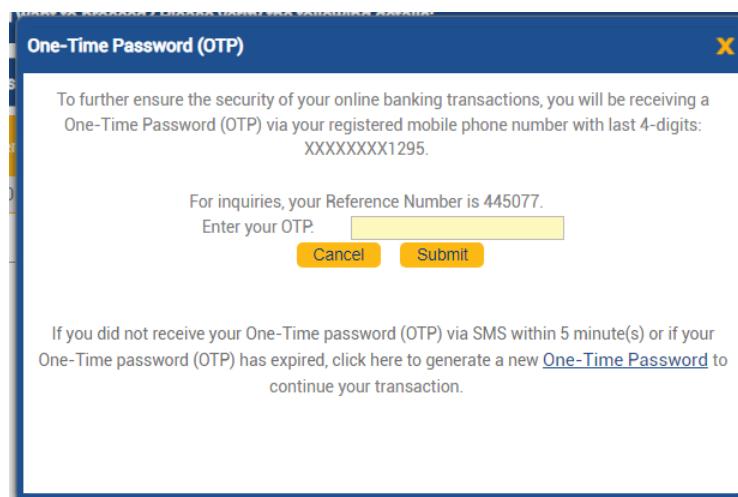

4. The **More Options** window will appear for your preferred BDO Debit Card Number. Choose from the New Setting drop-down menu to change the limits for ATM Withdrawal Limit, PIN Based Purchase Limit, and No PIN Purchase Limit. Then click **Save** to apply all the changes.

5. Click **Submit**. You will be required to review the changes made.

6. A One-Time Password (OTP) will be sent to your registered mobile number. Enter your OTP and click **Submit** to confirm the change.

7. An acknowledgment page will appear to inform you that your request has been processed. An email confirmation will also be sent to your registered email address for every successful Debit Card Change Limit request made.

The image shows a screenshot of the BDO Online Banking Security Management page. The top navigation bar includes links for 'GO BACK TO BDO.COM.PH', 'Home', 'Email', 'Checklist', 'Logout', and 'Help'. The main header is 'Security Management'. On the left, a 'NAVIGATE' sidebar lists 'My Accounts', 'Send Money', 'Pay Bills and Reload', 'Enrollment', 'More Services', and 'Profile Settings'. Below this is a 'My Quick Links' section with icons for account statements, account summary, account details, account history, account activity, and account alerts. The main content area displays a welcome message for 'CLGCASA' and a note about the last login. It also shows a success message: 'We have processed your transaction/s for BDO Debit Card/s with Reference Number SM-20180703-000300.' A 'Detail Summary' table lists three transaction types for card number '*****7613': ATM Withdrawal Limit (from 50,000.00 to 75,000.00, status successful), No Pin Purchase Limit (from 25,000.00 to 75,000.00, status successful), and Pin-based Purchase Limit (from 100,000.00 to 75,000.00, status successful). At the bottom are 'Back' and 'Printable Version' buttons.
